- CSS3
- JavaScript
- React.js
- Next.js
- C & C++
- Python
- Java

LANGUAGES

- English (Basic)
- Hindi (Fluent)

PROFILE

I am a Computer Science student with a strong interest in web development and modern technologies. I enjoy creating responsive and interactive web applications using HTML, CSS, JavaScript, React.js, and Next.js. I continuously improve my problem-solving skills through Data Structures and Algorithms practice while gaining practical experience through personal projects. I am always eager to learn new technologies, enhance my skills, and grow as a web developer.

WORK EXPERIENCE

- | | |
|--|---------------|
| Self-Learning & Personal Projects | 2026- PRESENT |
| Web Development Practice | |
| <ul style="list-style-type: none">Created multiple web projects to improve practical development skills.Practiced responsive design principles and component-based architecture.Solved Data Structure and Algorithm problems regularly to strengthen logic-building abilities. | |
